DATE: May 25, 1995

FROM: Jeanne Bonhomme *JB*

SUBJECT: Immigration Patterns

Attached are three charts showing patterns of immigration to the United States.

Chart 1 shows the shifts in immigration from the beginning of the century to the present, from immigrants originating in Europe to immigrants originating in Asia and Latin American. Chart 2 shows the top twelve metropolitan areas in which 55% of 1993's immigrants settled. Chart 3 shows the countries of origination for these immigrants.
